Outlook

Enter your full name into the field „Your Name“**(1)**.
Enter your eMail address into the field „E-mail Adress“**(2)**.
Enter your username into the field „User Name“**(3)**.
Enter your password into the field „Password“**(4)** (case sensitive!).
You should only check the box „Remember password“**(5)** if you are the only user of the PC
The checkbox „Log on using...“**(6)** must not be checked.
Enter "pop3.ServerName.de" into the field „Incoming mail server“**(7)**.
Enter "smtp.ServerName.de into the field "Outgoing mail server“**(8)**.
Please click on the „More Settings“**(9)** button.

The window "Internet E-mail Settings" opens up.
